

Dear Rome Community Theater Patron,

I hope this letter finds you well and anticipating beautiful summer weather in the coming months. Before heading off on vacation, please consider pre-purchasing your show tickets for the 2018-2019 season at Rome Community Theater. Tickets orders must be post marked by July 15, 2018 to receive the discount prices.

This year, in an effort to provide more flexibility, we have two options for ticket purchase.

Option 1 Season Tickets Five (5) shows for \$50.00 per person (a season savings of \$25.00)

Option 1 is the same as season tickets in previous years, with *no increase in price* for the new season! This option guarantees that your chosen seats will be reserved for the entire season on the night that you prefer. As always, season ticket holders may still change their reservations if they have a conflict by simply calling the box office the week of the show.

NEW!!

Option 2 Ticket Booklets Five (5) shows for \$50.00 (a savings of \$5.00 per show)

Option 2 allows our patrons to purchase five tickets at a time for \$50.00 without reservations. This provides flexibility for use of the tickets. Use one for each show or take four friends with you to a single show. The choice is yours!! Ticket holders who want specific seats on preferred nights are advised to call the box office the week of the show to make reservations.

Please return your TICKET ORDER FORM in the enclosed envelope.

Sincerely,

Kirstin F. Walker, Season Ticket Chair
